Experience

Freelance Illustrator

2023-Present

Self-Employed

- Collaborated with various clients within the health care field to deliver a range of illustrations based on their objectives.

Data2Design

June 2023

Facilitator (Mississauga, ON)

- Collaborated with a team of illustrators and designers to deliver a workshop on science visualization to researchers, clinicians and faculty.

Premium Paving

2019- Summer 2022

Sales and Marketing (Oshawa, ON)

- In representing the company, I had to demonstrate excellent oral and written communication skills.
- Worked independently and in teams; sales and marketing in the construction industry requires constant collaboration with clients, work crews, and city inspectors.
- Excellent organizational skills were fundamental to ensuring work was carried out as outlined in contracts.
- Problem solving skills were critical to ensuring customer satisfaction

Premium Paving

2017-2022

Labourer and Machine Operator (Oshawa, ON)

- General Labourer
- Machine Operator for skid-steer and roller

Server

2016-2018

Grenadier Cafe (Toronto, ON)

- Demonstrated excellent customer service skills in serving and bussing tables

Private Tutor

2019- 2021

Self-Employed

- Tutored grade 9-12 students at Chaminade College School
